**EDUCATIONAL HISTORY**

**Doctor of Philosophy**

August, 1999

Dissertation: Behavioral Profiles of Empirically Derived Neuropsychological Subgroups of School-Age Children.

APA accredited school psychology doctoral program

University of Texas at Austin

**Master of Arts**

December, 1994

APA accredited educational psychology program

University of Texas at Austin

Masters Report: Music and Memory - The Effects of Organization.

**Bachelor of Arts, With Honors**

May, 1990

Psychology/Minor in Music

University of Texas at Austin

**PROFESSIONAL TRAINING**

9/99 - 9/01

**Two-Year Post-Doctoral Fellowship in Pediatric Neuropsychology**

University of Minnesota Medical School Division of Pediatric Neurology/Pediatric Neuropsychology.

9/98 - 9/99

**Professional Psychology Internship**

APA accredited internship at the University of Minnesota Medical School Department of Pediatrics/Pediatric Neurology.

**ACADEMIC APPOINTMENTS/TRAINING POSITIONS**

1/08 – Present

**Training Director - Advanced Neurobehavioral Health of Southern California**

Director of the 2 year postdoctoral residency training program in clinical pediatric neuropsychology.

7/06 – Present

**Voluntary Assistant Clinical Professor**

University of California, San Diego, Department of Psychiatry.

9/02 – 9/05

**Assistant Professor**

Johns Hopkins University School of Medicine, Department of Psychiatry and Behavioral Sciences. Training supervisor for outpatient neuropsychology clinic, and the Center for Autism and Related Disorders neuropsychology clinic. Research supervisor and consulting neuropsychologist for the neuropsychology research lab.

## **PROFESSIONAL WORK EXPERIENCE**

- 9/05 – Present    Clinical Neuropsychologist/ Director – Pediatric Neuropsychological Services - Advanced Neurobehavioral Health of Southern California**  
Private practice providing outpatient neuropsychological consultation and evaluation for children, adolescents, and adults with a variety of neurobehavioral disorders.
- 9/02 – 9/05        Neuropsychological Consultation/Evaluation Services**  
Independent Contract Work – Office of the Public Defender, Juvenile Division, State of Maryland. Responsible for neuropsychological evaluation of juveniles charged with a range of criminal offenses. Evaluation services focused on issues of competency, criminal responsibility, risk assessment, reverse waiver, and amenability to treatment.
- 9/01 – 9/05        Pediatric Neuropsychologist**  
Kennedy Krieger Institute, Department of Neuropsychology. Responsible for outpatient neuropsychological evaluation of children and adolescents with a variety of neurobehavioral disorders. Primary neuropsychologist for the Center for Autism and Related Disorders. Behavioral consultant for the Kennedy Krieger Institute special education/nonpublic elementary and high school. Faculty member of the Center for Genetic Disorders of Cognition and Behavior
- 8/97 - 6/98        Neuropsychometrician**  
Independent Contract Work - Texas Department of Criminal Justice - Ellis I Unit/Death Row. Responsible for neuropsychological and personality evaluations of death row inmates in the process of appeal.
- 3-95 - 8/98        Lead Neuropsychometrician**  
The Brown Schools - Healthcare Rehabilitation Center. Responsible for neuropsychological assessment of patients admitted to this long-term residential treatment center.
- 1/94 - 12/94       Neuropsychometrician/Behavioral Consultant**  
CPC/Neuropsychiatric Treatment Center (NTC). Responsible for neuropsychological assessment of patients admitted to this residential treatment center. Additional responsibilities included developing, implementing and supervising individualized behavioral intervention plans for NTC patients.
- 3/94 - 6/94        School Psychometrician**  
Independent Contract Work - Eanes Independent School District, Austin, TX. Responsible for intellectual, achievement, behavioral and emotional assessment of learning disabled and emotionally disturbed children.
- 8/89 - 6/90        Dropout Intervention Counselor**  
L.B.J. High School/Travis High School, Austin Independent School District, Austin, TX. Counseling students and parents in individual and group formats, making referrals to community support programs as necessary, implementation of dropout prevention programs, locating dropouts and re-enrolling them in school or appropriate alternative educational programs.
- 10/89 - 10/90     Mental Health Specialist**  
CPC Capital Hospital, Austin, Texas. Part time mental health work with adults, children and adolescents, carrying out treatment plans, assisting in group therapy sessions, escorting unit on trips, and assisting in crisis interventions.

## **CLINICAL CERTIFICATION**

1/06 – present California, Licensed Psychologist, PSY 20705  
12/01 – 1/08 Maryland, Licensed Psychologist, license #03749

## **BOARD CERTIFICATION**

Diplomate in Clinical Neuropsychology (ABPP-CN), American Board of Clinical Neuropsychology and American Board of Professional Psychology (Awarded 5/08)

## **RESEARCH ACTIVITIES**

### **Peer Reviewed Original Research Articles**

### **Grant Activities/Extramural Sponsorship**

Co-Investigator: Protein Acetylation and Autism in Fragile X. 07/01/04 - 06/30/09. NIH RO1. Total Direct Cost: \$2,401,709. Current Year Direct Cost: \$487,277. P.I.: Walter E. Kaufmann, M.D.

Co-Investigator: Pediatric AIDS Clinical Trials. 03/01/2004 - 02/28/2005. NIAID/NIH: UO1 AI27565 Total Direct Cost: \$6232442. Current Year Direct Cost: \$623244. P.I.: Andrea J. Ruff, M.D.

Co-Investigator: Neuropsychological and Neurophysiological Correlates of Aggressive Behavior in Children. 10/00-10/04. Grant funded by the Minnesota Medical Foundation. Total Direct Cost: \$8500.00. P.I.: Catherine Jordan, Ph.D.

### **Grant Review Activities**

Grant Review Committee Member: National Academy of Neuropsychology – Clinical Research Grant Program (September, 2010).

Grant Review Committee Member: National Institutes of Health Special Emphasis Panel (November, 2005). Small Business (SBIR) Applications: Developmental Disabilities, Communication, and Science Education.

Grant Review Committee Member: National Institutes of Health Special Emphasis Panel (July, 2005). Small Business (SBIR) Applications: Developmental Disabilities, Communication, and Science Education.

### **Research Positions**

**7/94 - 7/95**

#### **Research Assistant**

Austin Police Department/University of Texas - Joint Task Force on Truancy. Worked closely with an interdisciplinary team from several graduate programs as well as members of the police force to develop a structured interview/assessment form for children and adolescents identified as chronically truant. Conducted pilot interviews and focus groups with children and adolescents who were identified as at-risk.

**6/93 - 7/94**

#### **Research Assistant**

University of Texas - Austin, Department of Educational Psychology. Responsible for the organization, creation and management of databases consisting of over 1000 neuropsychological examinations and behavioral profiles on students from five school districts. Coordinated all data base activities - supervised ten student coders, organized research meetings. Additional duties included assistance with data analysis and consultation for grant proposals.

**Spring 1993**

#### **Research Assistant**

University of Texas - Austin, Department of Educational Psychology. Transcription and coding of parent-child interactions/observational data. Trained additional coders.

### **EDUCATIONAL ACTIVITIES**

#### **Teaching Experience**

**Fall 1995**

#### **Assistant Instructor**

University of Texas - Austin, Department of Educational Psychology

EDP 310 - Individual Learning Skills.

- Spring 1995 Teaching Assistant**  
University of Texas - Austin, Department of Educational Psychology  
EDP 389H - Introduction to Neuropsychological Assessment.
- Fall 1994 Teaching Assistant**  
University of Texas - Austin, Department of Educational Psychology  
ALD 328D - Applied Human Learning.
- Spring 1994 Teaching Assistant**  
University of Texas - Austin, Department of Educational Psychology  
EDP 489H - Advanced Neuropsychological Assessment.
- Fall 1992 Teaching Assistant**  
University of Texas - Austin, Department of Educational Psychology  
EDP 330 - Child and Adolescent Development.
